Subpart K—Prompt Corrective Action

§ 303.200 Scope.

(a) *General.* (1) This subpart covers applications filed pursuant to section 38 of the FDI Act (12 U.S.C. 1831o), which requires insured depository institutions that are not adequately capitalized to receive approval prior to engaging in certain activities. Section 38 restricts or prohibits certain activities and requires an insured depository institution to submit a capital restoration plan when it becomes undercapitalized. The restrictions and prohibitions become more severe as an institution's capital level declines.

(2) Definitions of the capital categories referenced in this Prompt Corrective Action subpart may be found in subpart B of part 325 of this chapter, §325.103(b) for state nonmember banks and §325.103(c) for insured branches of foreign banks.

(b) *Institutions covered.* Restrictions and prohibitions contained in subpart B of part 325 of this chapter apply primarily to insured state nonmember banks and insured branches of foreign

banks, as well as to directors and senior executive officers of those institutions. Portions of subpart B of part 325 of this chapter also apply to all insured depository institutions that are deemed to be critically undercapitalized.

§ 303.201 Filing procedures.

Applications shall be filed with the appropriate regional director (DOS). The application shall contain the information specified in each respective section of this subpart, and shall be in letter form as prescribed in §303.3. Additional information may be requested by the FDIC. Such letter shall be signed by the president, senior officer or a duly authorized agent of the insured depository institution and be accompanied by a certified copy of a resolution adopted by the institution's board of directors or trustees authorizing the application.

§ 303.202 Processing.

The FDIC will provide the applicant with a subsequent written notification of the final action taken as soon as the decision is rendered.

§ 303.203 Applications for capital distributions.

(a) *Scope.* An insured state nonmember bank and any insured branch of a foreign bank shall submit an application for capital distribution if, after having made a capital distribution, the institution would be undercapitalized, significantly undercapitalized, or critically undercapitalized.

(b) *Content of filing.* An application to repurchase, redeem, retire or otherwise acquire shares or ownership interests of the insured depository institution shall describe the proposal, the shares or obligations which are the subject thereof, and the additional shares or obligations of the institution which will be issued in at least an amount equivalent to the distribution. The application also shall explain how the proposal will reduce the institution's financial obligations or otherwise improve its financial condition. If the proposed action also requires an application under section 18(i) of the FDI Act (12 U.S.C. 1828(i)) as implemented by §303.241 regarding prior consent to

retire capital, such application should be filed concurrently with, or made a part of, the application filed pursuant to section 38 of the FDI Act (12 U.S.C. 1831o).

§ 303.204 Applications for acquisitions, branching, and new lines of business.

(a) *Scope.* (1) Any insured state nonmember bank and any insured branch of a foreign bank which is undercapitalized or significantly undercapitalized, and any insured depository institution which is critically undercapitalized, shall submit an application to engage in acquisitions, branching or new lines of business.

(2) A new line of business will include any new activity exercised which, although it may be permissible, has not been exercised by the institution.

(b) *Content of filing.* Applications shall describe the proposal, state the date the institution's capital restoration plan was accepted by the primary federal regulator, describe the institution's status in implementing the plan, and explain how the proposed action is consistent with and will further the achievement of the plan or otherwise further the purposes of section 38 of the FDI Act. If the FDIC is not the applicant's primary federal regulator, the application also should state whether approval has been requested from the applicant's primary federal regulator, the date of such request and the disposition of the request, if any. If the proposed action also requires applications pursuant to section 18 (c) or (d) of the FDI Act (mergers and branches) (12 U.S.C. 1828 (c) or (d)), such applications should be filed concurrently with, or made a part of, the application filed pursuant to section 38 of the FDI Act (12 U.S.C. 1831o).

§ 303.205 Applications for bonuses and increased compensation for senior executive officers.

(a) *Scope.* Any insured state nonmember bank or insured branch of a foreign bank that is significantly or critically undercapitalized, or any insured state nonmember bank or any insured branch of a foreign bank that is undercapitalized and which has failed to submit or implement in any material re-

(b) *Content of filing.* Applications shall list each proposed bonus or increase in compensation, and for the latter shall identify compensation for each of the twelve calendar months preceding the calendar month in which the institution became undercapitalized. Existing approvals pursuant to requests filed under section 18(i)(1) of the FDI Act (12 U.S.C. 1828(i)(1)) (capital stock reductions or retirements) shall not be deemed to be the permission needed pursuant to section 38.

§ 303.207 Restricted activities for critically undercapitalized institutions.

(a) *Scope.* Any critically undercapitalized insured depository institution shall submit an application to engage in certain restricted activities.

(b) *Content of filing.* Applications to engage in any of the following activities, as set forth in sections 38(i)(2) (A) through (G) of the FDI Act, shall describe the proposed activity and explain how the activity would further the purposes of section 38 of the FDI Act (12 U.S.C. 1831o):
